Dear Kenny, Cole, and Manno family,
I cannot begin to know your loss and grief at losing someone so dear. I worked with Tina and will remember the fun we shared while caring for patients. She was an excellent nurse and a pleasure to work alongside. Cole, she could not have been more proud of you. I'm so sorry for your loss. Praying for our Lord's healing for you all.

After working with Tina for many years at CHL, then Heart, my job location changed, and I rarely saw Tina. As a result, I was not aware of her devastating illness until another former co-worker alerted me to her passing. I am deeply saddened to learn of Tina's difficult journey, but am glad to know she now rests peacefully in the arms of our Lord. My prayers are with her family who now mourn their deep loss. May God be with you at this very sad time.

I was blessed to know your wife / mother since she first started her nursing career at the Osteopathic Hospital. I was here supervisor in the evening shift. I remember her being a delightful caring and warm individual full of life. Seldom did I see her without a smile. Closing my eyes I can see her carrying her Cole when she would come in and pick up her paycheck. She always so proud of her son. I lost touch with her when I switched jobs in 1997. Heaven has an angel among them with Tina. I wish you and your family peace in the days ahead.

Tina was a dear friend of mine that I shared many good memories with. We went on trips together, to the beach, casinos, shopping, bow wow bingo, ate out a lot and had many parties. She loved to entertain, shop, eat out and laugh. Tina will be missed by many people. Love and miss had a lot.

I will always remember all our long chats and listening to oldies while working together. Thank you for always being there when I needed a friend to talk to and compare parenting notes. You were a great friend and will be missed terribly. May you rest in peace now and suffer no more. I will see you again in heaven.
