

Do you know what would happen if your death occurred while you were traveling?

What if death occurred away from home?

Sometimes, the death of a loved one occurs while they are away from home and families are left with the added burden of bringing their loved one home.

The Groff Travel Plan covers all the details of bringing a loved one home if death occurs more than 100 miles from their legal residence.

One simple fee of \$425 provides lifetime coverage.

- The Groff Travel Plan provides assistance 24 hours a day, 7 days a week, 365 days a year.
- The plan covers the complete cost of transportation services – saving you costs that could range from \$1,500 to over \$15,000.
- Any Age accepted.

Paying once for this service is small compared to the financial and emotional stress your family may face if your death occurs away from home.
