“ Barbara was a warm and caring person who put others first. She was an incredible listener who gave serious thought to what she was hearing. She was always calm and measured in her response and was never judgemental — that is a true gift! She was such a loving friend to Meg and Ed. Our thoughts are with her family and hope soon they will have a celebration of her life. Chris and Lynda Mabbs-Zeno

“ Barbara has always been a member of our family since before I was born. I remember her wisdom and counted on it many times, not the least when I showed up on her doorstep at 1:30 am in 1989! I see her sitting on the deck on Nantucket with each beautiful sunset and I model my closest friendships after her and my mother. Meg Mabbs

“ Barbara had my back from 2001 through 2005, day in and day out, in the office at St. James. She gave me counsel, helped me navigate the maze of parishioners and clergy, answered the phone for me when I participated in the Daily Office, made me laugh, advised me in difficult decisions, proofed the bulletins for me, endured with me the unending onslaught of details during the Great Big Episcopal event of the Rt Rev Nathan Baxter's installation, kept me in good spirits, helped me understand appropriate and useful responses to the people coming to ask for aid, told me fascinating stories of her own life, listened to mine (we knew we were fascinating people), played word games with me, made me glad to come into the office every day. I admired her greatly. May her memory be a blessing to each of her children, grandchildren and family.

“ Your Mother was a wonderful person. I had the privilege of working with her when she was the Jurors Bailiff. She was so good with the prospective jurors. I did keep in touch with her when she retired. You have many good memories to warm your hearts.
