To Cheryl, Steve,David,& John: Bert first new your Mother in 1945. They have been friends a long time. No one wants to think of the time when we are no longer around and when that time comes we have so many mixed feeling that it is hard to put into words the things that help the ones left behind most. We want to tell you that Clara,Bert, Jim and Roy had lots of good times together. We danced, went out to eat and Bert and Clara went shopping. Lots of times to Reading. We four had a good time together. They even came to see up when we lived in Columbus Ohio between 1963 and 1970. We will miss your Mother but we know that she is in a better place now. God's Blessing to all of you Bert and Roy Schroll
