Aunt Doris my thoughts and prayers are with you. Uncle Don was such a gentle, fun loving man. I am honored to call him family. Please know you are loved by J.J. and me.

Doris
I don't know if you would remember me. You were friends with my Nana, Marian Pontz. I am Renee. My sister and I lived with her on Marion street. I remember all the times you and Don would come to her house and parties when we were little. I enjoyed your visits. I had wondered thru the years what happened to you both. I am sorry to hear about Don. My thoughts are with you.

We are so sad to hear that Don passed away earlier this week. Ever since we moved into our home 16 years ago, Don and Doris have been our trusted neighbors. We see many changes in life, but the one area of consistency was our neighbors, Don and Doris. We will miss you, Don, and we are so sad for your loss, Doris. From Tim, Christine, Amani, and Maia

Worked at Penna. Malleable when Don did. He was a very nice and neat man, did a great job purchasing. We had lots of laughs and discussions over the years there. My most sincere sympathy to Doris. Know she will miss him very much. Gerry Reed
