“ There are not enough words to express how brokenhearted I am at Bruce's passing. In trying to remember when I first met him, geesch over 50 years ago, I just remember him laughing, probably at me! I will always miss his smile and wicked sense of humor. Cindy, we are so sorry we can't be there for you. Know that he loved you and his family so so much and loved every minute you had together. We love you Tom and Cherie Weber

“ On behalf of the people of the Town of Haverstraw, I would like to extend to the Carver family our deepest condolences and sympathy. Bruce proudly served our community as a Volunteer Firefighter with Volunteer Hose Co. #2 for 40 years. He achieved the rank of Fire Chief of the West Haverstraw Fire Department. I personally considered him a friend and enjoyed the many times we played softball in the firemen's softball league. If ever you needed any help, Bruce would be there. Please know that the Carver family are in our thoughts and prayers.

Sincerely,

Howard Phillips
Supervisor, Town of Haverstraw

“ Bruce and I were same age and we had a unique life experience. Our families were close. Our fathers worked together in Indiana, and together, we all moved to Lancaster through a work transfer, where Bruce and I ended up in the same school classes. We would hunt after school, in fields that are now residential. Funny how life passes by in the fast lane, and we carry with us a library of life time memories. My condolences to Bruce's family.

“ My deepest condolences to the Carver family. Bruce was a great guy to work with at MAA. He was greatly missed by his co-workers when he retired and I know he will deeply missed by you all now. May you find strength and comfort in the days ahead.

“ Bruh, I wish we coulda made that ride to Laconia the other year! You were a great guy to work with at MAA & helped me in more ways than you could ever possibly know (except now of course). Map a course for us to ride & hopefully I'll meet you on the other side. And now, that said, we both know there was so much more to your life than the ride. If anyone deserved a retirement you did. I know your wife misses you more than anyone else, my God bless her in this her hour of need. You were one of the good ones!

“ I knew Bruce in High School. I shall always remember him as a good friend and a unique individual. When I see Porkies or Grown Ups I have to laugh and remember those teenage adventures we shared.
We went our separate ways after high school, and I have not seen Bruce since the 20 year MTHS reunion.
Rest well my old friend.
To Bruce's family, Please accept my most sincere condolences, my thoughts and prayers will be with you
