“ So sorry to learn of your loss, Julie. I know the sorrow of losing one’s spouse. It has been so many years since we worked together at the Pizza Hut. May God surround you during this time of grieving.

“ Bryan was a brother in Jesus. He led me to the truth about salvation and the love of our lord Jesus. Bryan was tireless and self sacrificing when it came to helping others. He was always concerned and helpful of others.
I pray for comfort and peace in heart for Julie and Bryan's children and grandchildren.
God bless Julie in her walk without Bryan in the upcoming years ahead.
I am sure that they will remain together in Julie's heart.
Thank you Bryan for being there for us so many times. Chris and Jody Hall

“ I'll always cherish the memories of the many years I've known Bryan. From our years at BMA and later training together in the military, to greatly enjoying the moments my wife and I have spent with he and Julie at various times over the years.

He possessed that magical sense of humor and mischievous smile that drew you to him all the more. His loyalty and friendship were unmatched, and he will sadly be forever missed by all his family and friends.

Miss You Buddy,

“ Will always remember his patience with all my antics as a kid. Like when I argued with him about where I was sleeping as a Pathfinder. He would get that twinkle in his eyes and just laugh. Had so much fun when he and Julie took the whole school on the camping trip to Va. How he put up with us all we will never know but he was such a blessing to us all. Your family will always have a special place in my heart. God Bless you .
