“ Dear Josephine. I met you & Charlotte when we were little girls; I was about ten. You lived next door to my Grandparents, Mr. & Mrs. Frank Fix, on Virginia Ave. I called you Sharlie & Joey Ann. My Grandfather worked in the Plant Dep't at Armstrong & really admired your Father. I met Charlotte later in the Jr. League but never had the pleasure of meeting you again. I didn't know Sarah. Please accept my deepest sympathy. Your sister was a lovely lady.

“ Mrs Fitzpatrick was my music teacher when I was in 8ths and 9th grades. As 14 and 15 year old boys we had too much energy and too little patience. Somehow she managed to keep calm amid the storm and lead us into an appreciation of music that propelled me to join dance bands, orchestras, brass choirs, even marching and military bands. Today I continue to sing with the Wesley Singers as we bring joy and happiness to residents of senior centers throughout Lancaster County.
Bless Mrs. Charlotte Fitzpatrick for all the good music that has come into my life. I am forever in her debt. Tomhooper

“ I am Cass, who played my harp and sang for Charlotte and the other residents of Homestead Village many, many times! I always looked forward to seeing her in these group sessions of music. She was DE - lightful to be around. She knew every word of every song I ever sang to them. Her voice was lovely and the joy she found in music was infectious! J, you were so faithful and attentive in her care! She enjoyed sharing those music sessions with you. I hold you and all her family in my heart and prayers as you lay her to rest. I will miss her so much but heaven is certainly sweeter and the celestial chorus will be at its best with her to join them now!!!

“ My husband, Tom and I met Charlotte when we played music for her. We visited with her twice a week for the last year or so. What a lovely woman! Very musical and interested in what we were doing. We will miss her.

“ My husband and I met her at Homestead when we were Eucharistic Visitors from St. James about 8-10 years ago. They clicked because he was a prof at Wooster in 70s and 80s and she had graduated there years before. We found her to be an intelligent, talented woman of the world who always seemed to enjoy our visits. When Glenn, my husband, was too disabled by Parkinson's for us to continue visits, we began to lose touch, but have fond memories. Mary Bucher
