Comments

“ Our deepest sympathy to the entire family. Dale was one of a kind, a creative intellect. He was fun - possessing a dry wit. Both my son and I were recipients of a firearm purchased, or produced, by Dale. One of which I hope Kevin receives, Dale manufactured a 7 mm Rem Mag. with a thumbhole stock. I shoot off the left shoulder, so I thought rather than hand it over to our son, it should remain in the family. Dale always called me "Charlie: And I'm confident he would say, Hey Charlie, you mean if you were right-handed Kevin wouldn't have gotten it? Dale was VERY generous in his conservative persona. Kathy and I have fond memories of times spent with Dale and Georgie. He will be missed in person, but never in spirit. May the God of ALL grant him peace, and may light perpetual shine upon him.
