“ I have so many fond memories of my Nanny. It's hard to just pick one, so I'll do two. First waking up Christmas morning with her being there even if she didn't live with us at the time. Second, every Sunday going to her house after church with my siblings and parents. Us kids would get to see our cousins while my mom got to see her sisters. I'll forever hold my memories of her in my heart. I love you Nanny!!!!
