“ John was more a brother to me than a cousin. I am only sorry we didn't have more time together in our later years. Patricia Adair

“ I will always remember him. He was basically raised by my Grandparents Harold and Sis Gochenauer. When he came home from the service and would visit he would take me hunting with him and take me away with him. He was always loved by my family. Wished we would have had more time together before his illness. Thank you Caroline for calling and allowing us to spend some of his last moments with him. Cathy Kulp

“ I only knew John in his latter part of life. He shared many stories of his love for family, animals and friends. He also blessed our country by serving in the Marine Corps. Thank you, John!
