“ To the family I am so sorry. I am just hearing about Susan passing. I was her Advisor II. Susan always put a smile on my face. She was so dear to me. I will always cherish the memories that I spent with Susan. The day that I left Mondale and moved away was the saddest day I never got a chance to say bye to Susan. I always kept in contact with a co worker to see how Susan was doing but than she left. I will always remember the day we went to Sight & Sound to see Behold the Lamb, and I started to cry and she looked at me and said don't cry they are just actors.. Happy birthday was her favorite saying when she gave me something. Susan I love you and you will be truly missed my friend.
