“ I am still struggling with Paul's death. It was difficult not being able to communicate with him the past several months since he had given up his phone line and they didn't want visitors at his home. I would appreciate if I could communicate more with a family member. My email address is reinfordmerle@gmail.com or phone 717-984-8251. Thanks for any help you could give me.

“ To the family of Paul,

I have played chess with Paul almost weekly for many years. It was an event that I think he and I looked forward to. I was hoping things would open up soon so that we could play chess again! I was very shocked to read of his passing. My prayers are with his family.

Shalom,

“ To the Family of Paul ,

On behalf of the LS Class of '58' we send our condolences. We were so glad to see him at one of our special get together's held for our 50th reunion. We didn't get together often and this was a special 3 days of reuniting with our classmates and friends.

Praying God's comfort for you. Heaven is so much greater than anything our limited minds can ever imagine.

Sincerely, Class of '58' Pearl Koch

“ To Paul's family,

It was a joy to have known Paul over many years as his friend at Calvary Independent. It goes way back when I remember Paul in Daily Vacation Bible School. After returning home from serving in the Army in 1967, a number of us men had formed a Bible study, of which Paul was a part. It was obvious of his desire to be obedient to the Lord Jesus in his own very humble and quiet manner. As everyone knew, Paul liked to walk. I would often see him doing so, going through town and other areas. I remember also seeing Paul mow the grass at Joe Meyer's Diner. Every time I saw Paul, which was not often after our Bible Study ended with most of us getting married and going different directions, it was very special to see Paul and talk about the days when we all were young! The memories we shared of growing up in church and than our Bible Study, brought a smile to Paul's face, as well as my own ! Paul did not make any headlines in the newspaper for what he did in doing what he could, in his very simple life style. However, the Lord Jesus has now, according to His Word, rewarded Paul, His child, greater than any earthly deeds he may have done. Humility is a very rare character trait in a persons life. Paul's life was a tremendous example of humility to many people, including myself. May the Lord truly comfort each one of you, Paul's family, and give you much peace.

Because of His love,
