“ *My deepest sympathy to Arline's family. I took care of her orthopedic problems over the years and her office visits were always a treat. I think at times she was more interested in how I was doing than how she was doing. You will be in my prayers.*

“ *I had the great pleasure to work with Arline at LNP for many years! She was such a fun person and it was never dull. There are so many stories I could share, but there just isn't enough space. Rest in peace dear Arline. Yours was a life well lived!*

“ *We wish to extend our deepest sympathies to Arline's family over her recent passing. We enjoyed her visits to our office and always felt better for her having been here. She was always so cheerful instead of dwelling on any problems that she had. She will be missed and remembered.*

“ *I will miss Arline at our retiree luncheons. She came to many of them and I had picked her up for several meetings. She was a wonderful person and, I believe, loved her job at LNP. She had a wonderful long life and was always a pleasure to be with. I just recently saw her at Oregon Dairy and I am so glad I got one more time to talk to her and her daughter. Will miss you Arline.*
