“ Sorry for your loss, Tom and family. I still have the Pennsylvania Dutch gifts she graciously brought me when your parents came to MN years ago. Such nice people and I'm sure you will miss them terribly. But the good news is...heaven!!

“ My deepest condolences to the family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Dolly again.

*Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"*

“ *Dear dear Charlotte. She and John were our neighbors for 18 years and we always felt so blessed to know them. When I was stuck in a hospital bed in our living room for months, Charlotte would check on me every day, bring me picture albums to look at, and visit with me. We had a great agreement with John.....if we could use his snowblower we would take care of their snow. It was a win win. 😊 I remember convincing them to come out and watch fireworks with all the neighbors one year. Oh did we have fun. Their love for us and spiritual guidance meant so much. They will forever have a place in our heart. Prayers and comfort to their children, who we met a few times when they would visit. We're sorry to hear that John passed in June. I picture him walking with his head held high now.....no more pain!*
