“ I want to thank The staff at Groff,s funeral Home for being so kind and polite with the faily of Aby that day, It esased our pain.Specially when we arrived at the site and they ran to open the doors for us, when they waited for us to finish the services without interrupting br  
ecause it was a little late for them. They are so professional, yet so caring and genuine that you feel as if they are friends of the family because of their warmth and compassion.  
Aby for you what can i say? everyone have told what i wanted to say but you deserve more. I'm glad that you were my nephew. I'm glad that The Lord took you because HE din't want to see you suffer. I feel sorry for the ones you left behind but i know that because they loved you so much they would want to be with you and that makes them safe because they want to go to heaven too. “ I married Aby back in 1988; we had a beautiful wedding. We lived together for 14 years. We had three wonderful children Anthony, Omar and Francis. They came to this world with lots of love. Aby loved his children more than anything in this world. The Lord was so good that gave him the happiness to have them with him until the time of his passing. Aby and I had many differences but the kids always kept us united. We had many good memories together where we laugh like it was not a tomorrow. I loved how he sang to me the song "Palomita Blanca" he always made me cry with that song and still does. Thank you all for supporting the Claudio's family. Aby, you will miss tremendously and thank you so much for the happy times!

“ I was so glad my cousin was celebrated in such a wonderful manner. His immediate family could not have chosen a better place for his service. The staff at Groff's was excellent. They literally ran to open doors and make you feel welcomed. Their service is superior. And my family didn't have to worry about a thing but celebrating their son's life. Thank you!

“ This is what I posted on FB with a video of your place: "For those of you who couldn't make it to Aby's service I want you to see what a wonderful place the Heavenly Father provided to celebrate the service. It was fit for a king and I want to express so much gratitude for Lisa, the director and all her staff. They treated us with the utmost compassion and dignity. They are most definitely a 5 Star organization. Thank you, Lisa and fam!"

*My brother was an amazing loving human being. He has left an irreplaceable void in our hearts. You and your staff and your lovely home provided us with the comfort we so needed. He deserved your place. All our family is eternally grateful.*

*Thank you!*
