“ I loved my pop pop he was my very best friend/pop pop for over 10 years. I loved when we would get to his house and every time he would Either be sitting in his chair or come out from his room saying hey! And he would always give the best hugs when you came in. I remember when we went to church we had wait as pop pop went to go talk to people we would laugh when we where waiting over by the door to leave for pop pop to come. And The Time I remember when we went to pine view with are grandmother and I saw pop pop in the car with his face covered in black raspberry ice cream. and we both loved black raspberry ice cream. And it was so funny when he would go like yummm. I really loved pop pop to the deepest of my heart if I could say 2words to him right now would be greatest thing ever. The Rehnberg's loved him and so did I . Sincerely Julian Oscar Rehnberg

“ To the Rehnberg family,
My sincere condolences on the passing of Alan. I grew up in Clifton NJ and worked at the Fireside in my Junior and Senior years of high school in 1971 and 1972 . I have fond memories of working there, and of Alan and his dad ("Tex"), as well as all of my co-workers. Alan was a great guy and a also a very hard worker. I'm sure he was a great husband and Dad also.
Last time I saw him was around 1974, but memories last a lifetime..

Sincerely,
Gregory Mullen

“ Al was an amazing friend to Roy and I. He and Roy had a very special friendship, spanning over 70 years. That is very rare! They were truly brothers. It was an honor for us to be “his friend,” but it was more of an honor when he called us “his friend.” He and Ginny were a very special couple and we always loved the times we spent together. She was truly his rock and took such good care of him! Al you will be FOREVER missed and NEVER forgotten! Love you always, Roy and Ret.
