“ Rest in Peace my friend. I'm sad that you were taken from this world, no one should ever have to go through the things you went through and your sweet little boy who has lost his mother, but I'm also sad that we lost touch with each other for so many years. it beats me up inside to think of the all the pain you endured and I wish I could have helped. I know that we can not help you now but I am on a mission to help anyone else who needs it so their family and friends don't have to feel this pain we feel losing you.

Most of these are about 10 years old, we had so many good times together, celebrating friends getting married, birthday's and Halloween parties.

Alex was a joy to be around and always the kindest person. you will be missed for sure my friend.

Having lived like that, my heart is breaking for the children, for her dad, for her friends, who did not know what she was enduring, it is a club, one noone should be in. I pray today for her child, for the teen by who saw what he or she saw, may God's grace cover this, noone wins. Let us not ever forget the women who like in silent prison, this is not how they should get out. Thank you God for this beautiful woman. God bless her loved ones Amen

“ *These photos are 15-20 years old. I have a lot of great memories with Alex, but I will never forget when we were teenagers and took off to Erie for a fishing trip with friends or her being there for me when I married. She was a very special person that will never be forgotten, and will be greatly missed. My condolences to her family and loved ones.*

“ *I never met you. I can only imagine the life you lived behind closed doors because I live that life too. It is like a secret club that know one knows about and you feel alone and afraid and stuck. I am so sorry this happened to you. You deserved so much more in life.*
