“ *To the family of Alice Brennan:*

*I am so sorry to hear about Alice's passing. I had no idea. If I had known, I would definitely have come to the service.*

*Alice and I worked together at Price Elementary School. She was my classroom assistant. We spent many years together and I always thought of her as a great friend as well as invaluable to my students and my teaching. She taught me so much about Lancaster (I was a transplant from Philadelphia). I will always cherish my memory of her sitting in the back of my class, correcting math workbooks, while she listened in on my social studies lessons. She was always curious.*

*Alice was one special lady.*

“ May the bereaved family be comforted by looking forward to Jesus' promise of seeing your dear loved one again.

*Revelations 20:13~ And the sea gave up the dead in it, and death and the Grave gave up the dead in them, and they were judged individually according to their deeds.*

“ My sympathy on the loss of your mother. I have so many good memories of all the fun times we had growing up in our neighborhood and she always was right there in the midst of it. Our parents were such good friends and my mother and her still supported each other through phone calls and a visit a few weeks ago. May the good memories sustain you during this time and remember she will always be with you in your heart.

*Prayers are with you.*
