“ *Becky worked by my side many years at the front desk of the old police station on E. Chestnut St. I was always glad when she was there....she knew her job well and she knew what was expected and needed to deal with incoming phone calls and walk ins to the police station. Prayers from out family to yours. Becky was respected for the person she was and the job she did. God Bless her. I just bet you the Lord will have her working the reception desk in Heaven. Sgt. Russell J Spang (Retired).*
