“ Ami was such an important part of our worship team. I just loved watching her sign as she sang. My heart hurts so much for Mike, and her parents and family, and for all who are missing her bright spirit. Ami’s intelligence, passion, creativity, and loving heart will be greatly missed.

“ *Ami was a classmate at CCP studying ASL. I'm grateful to have known her for a short time. She was a very generous and kind person. She was a large part of helping set up my baby shower in October.*
My heart goes out to all of Ami's family and friends. She will not be forgotten.

“ I am so grateful to have enjoyed Ami's deep caring friendship - even for the short span of time I knew her through our studies together at CCP. She was brilliant and generous (always helping me figure out what we were learning), deeply kind, empathetic, understanding, insightful and reflective. I will miss navigating life and sharing with her. I am grateful for her support and influence and spark.
