“ I got to know Andie from her jewelry making. I have some of her jewelry in my store, Dragonfly. All proceeds from the sale of her jewelry will be donated to the American Cancer Society. I proudly wear a pair of her Dragonfly earrings in honor of my Daughter whom I lost 2 years ago. I will continue to do so and always remember the spirit of the lovely woman who made them. May you find comfort in your memories and pride in her courage. Cheryl

“ Ed and Melanie,  
Beth and I are so sorry to hear of Andi's passing. We pray for you and hope you will find comfort and peace in the Lord. Andi was so special to us. I (Dennis) have worked with Andi for many years and always enjoyed her talent and love of photography. But most important, Andi was a true and caring friend that I so appreciated. Her strength and the character she displayed through her illness is a true testimony to the wonderful person she was. I (Beth) so enjoyed meeting Andi, we would use different trade shows to just sit and catch up with each other. She was always a joy to be near. We shall miss Andi deeply as we know you will too.  
Love from us to you,  
Dennis and Beth
