

Andrew Jon Nissley (AJ)

September 6, 2023

Andrew Jon Nissley (AJ), 52, passed away peacefully on Wednesday, September 6, 2023, at UPMC Memorial, York, PA. He was the son of Kenneth M. Nissley (Philadelphia, formerly Lancaster) and the late Elizabeth G. (Landis) Nissley.

Raised in Mount Joy, PA, AJ graduated from Lancaster Mennonite High School. He was an exotic supercar enthusiast, as well as an avid fan of the Phillies and the Eagles. During his early years, AJ was physically active and enjoyed many outdoor activities such as biking and swimming. After high school, he spent some years working and living independently. AJ was always known for his bright smile and sense of humor.

Andrew displayed great courage and determination for many years. He did not let deteriorating health keep him from living his life on his own terms. He lived the last decades of his life at the nursing facility Margaret Moul Home, York, PA. He was well cared for, and he valued the support and independence he had there.

He is survived by 3 siblings, K. Mark Nissley (Amanda Platt), Pensacola, FL, Rebecca J. Nissley, York, and Sara B. Nissley (Andrew Peifer), Philadelphia.

A memorial service for family and friends will be held at The Gathering Place,

“ *We got to know AJ through our son at Margaret Moul. There was always a discussion about the Phillies or the weather if we were outside. We will miss seeing him making his way through the building. Peace to you all during this time.*

“ I'll always have fond memories of AJ, having spent weekends within his family's home during my last two years of high school. AJ was always ready to play a game of ping pong and laughter was heard commonly while we played especially if he scored a point that seemed improbable. I think AJ enjoyed my arrival as he got to do things with me that he likely wouldn't have been allowed to do like watch the TV show, Dukes of Hazzard and honestly I enjoyed his hooting at the show with it's characters and wild stunts. Despite all of AJ's impediments, I most remember his twinkle in his eyes and eagerness to play. I'll definitely miss my younger cousin and wish all who knew him to remember the good times we all shared with him.

Thank you David. You were like an older brother to him and I know he liked when you were around.

With appreciation I remember the love shared among your family, at supper in his preschool year. Mark, Becca's and Audy's smiles especially have been bright memories for me. I hadn't seen Andy since his apt days w my cousin. Peace and comfort to all of you and hope on your journey.
