“ *Ann, looking up at the stars tonight, here in the Rockies, there is one shining brighter than all the billions of stars in our vast universe. And it is you, my dear friend. When I looked up tonight, I saw a joyful smile, your big heart, and your great spirit looking down on your beloved family and friends, comforting us all.*

I will always remember the night at one of your wonderful dinner parties when LaJune

And I danced an Irish jig for you! Yes, so many memories, so many fun times.

Don't be lonely my lovely friend, because we will all be together one day, and we will know just where you will be.

At the right hand of God. Love to you, dear Ann, Noreen.

“ *Danielle,
Sorry to read about your mother's passing. She was always so thoughtful and caring. She wrote me a wonderful note after you left LCDS - I still have it. I'll remember her sitting on the bleachers, watching you play field hockey - she was such a supportive fan. I hope all the memories you made with her will help at this time. They will ALWAYS be in your heart.
My thoughts and prayers are with you and your family.

“ Dear Family of Ann,
I was saddened to read of Ann's passing.. Even though I had the opportunity to know Ann for only a short period of time....It was a privilege to have crossed paths with her in this life...She never lost her smile and her gentle spirit even in the midst of adversity...and always had something kind to say... No words can take away your pain...but please know she is never far from you ~ for Heaven is all around us...we just cannot see it with the naked eye.....May you feel the palpable loving presence of God holding you in this most difficult time.....

*My deepest sympathies,
Rachel Victor*

“ Ann became my close friend when my husband and I moved to Lancaster in the late 60's. We saw a great deal of each other and eventually were neighbors on Lancaster Ave. Our children played together daily. Ann loved entertaining and was a superb hostess. She loved food, fashion and good design. During a serious fire at our house in the 70's Ann took our family in. She was so proud of her daughters Danielle and Arianne. She loved them and their daughters Skylar and Sophia deeply. My condolences to them for losing their mother much too soon.
