“ My dear Anna Mae (my second mother), I will miss seeing your smiling face especially at the old Darrenkamp's store. Thank you for all the years when I was growing up of caring for me and being such a good mom. All the times you left me sleep over and made sure I had food to eat even though you were trying to put food on the table for your 3 kids. What a blessing you were to me. Your laughter and loving kindness will be with me forever until we meet again. Say hello to mom for me I know she will be there to greet you.

“ Anna Mae was one of my first life-long friends. She, Lillian Finnefrock and I grew up on Poplar Street and were very close through high school. While I have not lived close to Lancaster for many years to visit with her, we kept in contact with each other with telephone conversations. Our thoughts and prayers to her family. I will miss my good friend.
