“ *Dear Family,  
I regret that I am unable to attend Anna's service and to offer my condolences in person. I have not see seen Anna for a long time but she is someone I will always remember. Anna and Donald were my Mom's trash collectors for many years, They were good to her. Anna always had a kind word for Ms. Mazie and was also patient when she came to collect. She always made the time to listen. Anna was hardworking and cared about her customers. She was a gift to our community, She will be missed.  
May your fond memories of her give you peace in the days ahead.  
With our sympathy,  
Becky Corbin Powell and family*
