“ *To the whole family of Annamary, please accept our deepest sympathies on her passing! You are all so precious to her! Many times in the years that she was our dear neighbor, she'd stop one of us in the yard to tell us another story of what was 'going on' in one of her family members' lives! As she ventured to her garden many times per day, she'd holler over to us to share some of the bounty. We've missed her since she moved away, and we'll certainly miss the occasional contact with her thru cards or phone calls. Annamary was a very special lady and you are all so blessed to have had her for all of her 98 years!
With much love and sympathy, Harry and Eileen Flick*
