“ *My love and condolences to Anne's family. Your mother was a beloved neighbor of my parents for many years at Woodcrest Villa, and she was the last surviving member of my mother's shark-like Scrabble circle. My own parents passed away over the past eighteen months and though Anne was looking after her own health and well-being, she always had a kind and encouraging word for me when we saw each other around the Woodcrest campus. I was a lucky recipient of a number of her beautiful note cards. She was a lovely woman and will be dearly remembered.*

“ *My condolences to the family. I remember her as a volunteer at Lancaster General Hospital. But, mostly I remember as Tim's mom. My thoughts and prayers are with you. She was clearly a very special lady.*

“ *My thoughts and prayers go out to Anne's family. I feel blessed to have known Anne as we lived next door to her and her family on Summit Ave. in Quarryville. She was a great inspiration to me as I was going thru my difficult teen years and Ray was instrumental in furthering my education at Shippensburg State College.*
