“ *What a wonderful, hardworking man Asa was! I worked with him for many years. Quiet, but when he spoke, you listened, because you knew what he had to say was important. I am so glad I had the opportunity to talk to him on Christmas Eve. He will be missed very much. My thoughts and prayers are with your family at this time.*

“ *Asa was a great man. During the last several years he was a great co-worker, he would bend over backwards to help you and give you a great sarcastic remark to go with it. He was usually a quiet man at work, but when he spoke, you wanted to listen because the few words he would share were insightful and/or humorous. He will be missed in this world.*
