My deepest sympathy to the family of this young woman. I was saddened to read about her death and I know that your grief must be overwhelming. I do hope that you can find comfort at this sad time in the caring thoughts of friends, the love of family, and in your sweet memories. May you also find some comfort in knowing that "God is near to those who are broken hearted and crushed in spirit" (Psalms 34:18). Please accept my sincere condolences. L. Morgans
