“ Family...may you be comforted in the loss of one who made a difference in a good way. May she Rest in Peace. I was "shocked" to hear of Barbara's passing. Whenever meeting her she had a way of making me laugh, as she asked me..."where do you live? I'm coming to see you". She & I are cousins through the Griffy Family. One thing about Barbara...she was "ALWAYS" the same! I remember she and I would tease one another in high school. I haven't seen her much while living in Lancaster and would try to find her through FB. Love ya', "Barbara Ann".
