“ *Barb taught me most of what I know about my job, as well as a couple good jokes. She was always laughing, and had patience to spare. I will remember her fondly.*

“ Everyone at her CNH family will remember Barbara as a hardworking dedicated employee, a great teammate, and an even better person. Barbara genuinely cared for the people she worked with, loved contributing to our team, challenged us all to be better at what we do, and helped make CNH be a fun place to work (most times!).

In all the years we worked together I came to believe that CNH was an important part of her life, and the half dozen times we talked and texted over the last year she promised me she would get back here. I know she fought like heck to fulfill that promise. I've missed hearing her voice for the past year, miss her coaching me on how to be a better manager, miss hearing her passionately explaining her ideas, and miss hearing her laugh.

Peace be with her family and friends as we mourn her passing, and Barbara, God Bless you and keep you until we meet again.

“ *My cousin Barb was a gentle soul. I only saw her a few times since she was grown but I always loved her. My wife and I had the opportunity to have a long conversation with her at my sister-in-law's funeral. She was so out-going and friendly! She was much too young to pass. I will make a cancer center donation in her name. This disease has taken too many good people.*
