“ *I started at Kellogg's in August of 1981, I worked with Babs in the warehouse. She was kind, an extremely hard worker, had a great sense of humor and was an all around great person and employee. I really missed her after she left, over the next 25 years I thought about her several times, hoping she was doing well and was happy. Now I KNOW she is extremely elated in HEAVEN. As a family, I'm sure you know that even death does NOT have the POWER to separate the LOVE between YOU and BABS. Blessings,

“ To the entire Erisman family & friends,
As we go through this life on earth we meet many,many people we call friends. Babs was a friend that no matter what, if you needed her she was there with an open heart and a hand when if you needed it. I knew Babs and the Erisman family my entire life. I have so many fond memories that I will cherish forever. May God comfort you at this time. Have Faith in his Promise of eternal life. God has called you home to be with your Mother & other family members to begin your new life for eternity. Rest in Peace my friend. God Bless you Babs Erisman. Until we meet again. Play Ball!

the last time i talked to her she told me how happy she was with her life ,she loved her partner and the children she was helping to raise, i love you Babs, just like i know the angels in heaven will.
