“ *Jim, so sorry to read about Barbara. Just because I was thinking of you lately so much that I googled your names and by accident found this page. Sent an email with some more thoughts about our long relationship - hope you have access to that email account. I am so grateful that we visited you at least two years ago. Love to hear from you - my thoughts are with you, Jimmy and his Family and your other Grandchildren. Love Silke*

“ Jim I am so sorry to hear of Barb's passing. I have so many good memories of her. Working at Armstrong, playing cards and going to demonstrations after work at our co-workers homes, taking vacation together to Pocono resort. Also, being in each other's wedding party. She came to see me after my son was born. I think she wanted to be sure it was true as I was 39 years old at the time. Always a lot of fun to be with.

Mike and I will not be able to attend the services, but will be thinking of you.

Take care, Mike and Donna Byrd

“ To the Heidig family,

Barb and I went to LCHS together. I remember her well. I'll light a candle for her on Sunday, and offer Mass up for her as well. My condolences.
