“ *She was the most loving caring generous aunt that a nephew (yours truly) could possibly want! What an exceptional sense of humor, too!!! R.I.P., Aunt Bess --- you were the best!*

“ *Aunt Bess was one of my favorite aunts. We all miss her a lot. She was selfless, warm-hearted, and sweet-natured.*

“ *My dear fellow Caldwell Cousins,
This was the first time I'd learned of Aunt Bess's passing, or I would have sent this message at that time. I am so sorry to hear about our darling sweet warm-hearted aunt's passing, but I am also so glad that her passing was peaceful and painless. I also am glad that I got to see her again one last time this past August and September, so that at least I could sort of "say goodbye properly" to her --- oh, I didn't know during my last visit that she was going to pass before I got to see her again, of course, but I mean that I got to spend time with her and let her know I cared in her final months. Looks like I got over there "just in time", too --- she passed only about a month after I last visited her! Please call me at 207-497-2873 if you want to talk or if you need anything... you have all been super-kind to me, so I want to do the same for you, just as our kind selfless Aunt Bess always did for all of us.*

“ I'm very sorry to read about dear Bess's passing.

I am the Recreation Therapy Supervisor at Meadow Ridge at Willow Valley.

Our team adored Bess and always will. She is one of the finest women I have ever met. We will always remember Bess's heart of gold, killer sense of humor, deep love for Christ, ever faithful passion for her family, intense compassion for others, can do spirit, and sparkling eyes when she smiled, which is often.

Bess was one of our most active Residents in activities. And she loved to encourage others to attend too. She always made our groups a lot of fun when she was there.

My co-worker and I were just talking about Bess a couple of days ago. We talked about how much we miss her.

Our lives are better for knowing Bess and are very thankful that we got to be a part of her life.

May you find comfort from family, friends, our dear Lord and the wonderful memories of dear Bess.

I shall always smile when I think of Bess.
