“ *I just learned today of Beth's passing. My thoughts and prayers to the family. I work at Central Market for S.Clyde Weaver and we(some of my former co-workers and I) always had a smile for Beth. She was so precious and seemed to keep a positive attitude through the difficulties she faced! It's been several years since she has visited us but I think of her often and in fact thought of her in the last week or so, wondering how she's doing. So sad to find out she's gone however I'm sure she's in a better place now, able to run around like she hasn't done in a long time!;) I remember her as a dedicated and hard worker and she enjoyed our subs! Peace and comfort to all of you!*
