

Betty L. Blessing

October 6, 2024

Betty L. Blessing, 78, went to be with her Lord and Savior on Sunday, October 6, 2024, at Lancaster General Hospital after her third battle with cancer.

Born on June 27, 1946, in Lancaster, she was the daughter of the late Winfield and Anne (Darrah) Bear. In addition to her parents, she was preceded in death by her former husband Wesley S. Blessing; sister, Barbara Harmon; brother, Donald Bear; her cat Griffin, and the family's pet box turtle, Baby.

A lifelong resident of Lancaster, Betty graduated from J.P. McCaskey HS and worked as an assistant primarily in legal and insurance fields, including the Lancaster County government. In later years, she enjoyed working in various sales and telemarketing positions.

In her spare time, she enjoyed watching her favorite TV shows, movies, and music videos. As a lifelong danceaholic, she was an avid follower of the local music scene in Lancaster. She began going to the Village Nightclub shortly after it opened in the early 1970's. In the later years, she enjoyed dancing to her favorite bands at the AMVETS Post 19, American Legion Post 34, Riverside Camping Association, and Marion Court Room. Betty also loved animals and always had a kind word and a joke ready to tell for anyone she met or talked to on the phone.

Betty was a loving wife, devoted mother, and caring friend and will be deeply missed by all who knew her, especially her only child, son Scott Blessing.

The family would like to thank the staff at the Ann B. Barshinger Cancer Institute, the Lancaster Nursing and Rehabilitation Center, and the Lancaster General Hospital for their care of Betty.

In lieu of flowers, memorial contributions may be made to the Ann B. Barshinger Cancer Institute, 2102 Harrisburg Pike, Lancaster, PA 17601. Funeral services will be private.

“ *I was deeply taken back by her. I enjoyed dancing with her. I was underage but had a blast with her at the Village. We went to movies and dinner quite a bit. All clean fun. Her passing hit me like a rock. I just happened to go through the Lancaster on line. I would of loved to be at her wake. I saw her a few months back walking with a man down Queen street in town. I was at the bus center waiting to go to a movie. She once in a while would visit the library on Duke street. I would see her and say hello. She was a lot of fun. God Bless you always Betty and your son Scott. Your in my prayers. I wouldn't trade the fun and memories for a million bucks.*
