“ *My condolences. I believe, Linda, we were friends in grade school. Would love to hear from you sometime. I was Karin Minder. I am so sorry to hear your mother passed. My mom passed away in 2014. Miss her everyday.*

“ *Many great memories of Betty. She was a wonderful friend to my Mom (Rhoda Musselman) and I am sure she will be missed, but I know there is a party in heaven going on! Sorry for your loss.*

“ *Betty taught me how to crochet at our house while there was too much snow for her to stay home and still get to work. I remember driving to her house to pick her up in the snow. I also remember camping trips to tuquan , and Rehoboth, and even visited the Dommels when camping in Myrtle Beach. I also remember when they got new shag carpet on Madison Avenue, they had a rake for it. Great memories. Linda, Paul, and family, sorry for your loss. Brian Craun, Calabash NC.*
