“ *Ms. Betty was a wonderful person. She was wise, kind, and very caring. I am honored to have known her. She will be greatly missed and adored and will always have a special place in my heart. My regret is that I did not get to see her as much as I would have liked, but I did speak with her from time to time. I am honored to be a part of the family. It's like a piece of me is missing. I will always cherish her memory. My love, support and condolences goes out to the rest of the family.*

“ *I had the pleasure of working with Betty at the SDOL. I worked with Betty at Haupt School. She was such a help to me and such a nice lady. Every May we exchanged Birthday cards, she never forgot. She always commented on the good times we had when we worked together. May she rest in peace.*
