“ *So sorry to hear of sweet Betty's passing. She was my Mom's (Dorothy McComsey Longer) favorite cousin. I have fond childhood memories of time spent with Betty and her family on Hershey Ave, and little road trips my mom and I took with her and Susan and David. I most remember her kind personality and sweet smile, and her affection for her husband Bob.*

“ Hi,

My family and I would like to offer our sincere condolences to your family in the passing of Betty. She was a wonderful and dear friend of our Mother, Romaine who was her neighbor at Sylvan Retreat. We kids all at one time or another had the honor of meeting Betty and we were shocked to see that she had passed away. Our Mother had passed away on March 9, 2013. We know that this is not an easy time now, but just take solace in knowing she is with your Dad and now our Mother again. We thought maybe you would enjoy this photo of the two of them together in happier and healthier times. Our thoughts and prayers are with you at this most difficult of times.

“ *My husband and I were Betty (and Bob's) neighbors for 8 years until 1999. We often share fond memories of her but our favorite was when my husband had been putting a coat decorative plaster/paint on our living room ceiling. He stepped outside to take a break and found Betty I had been on the patio talking. As soon as Betty saw the dried bits of plaster stuck in the hair on his arms, she started "plucking" it off as if she were picking flowers. My husband let her go as long as he could before dancing back into the house. :)*
We are so sorry for your loss and pray God's strength to get you through this difficult time.
