

## Betty Lou Weaver

April 8, 2020

Betty Lou Weaver, 74, went to her heavenly home on Wednesday, April 8, 2020, after succumbing to COVID-19. Now for the first time, she can see colors, and she can look at the face of her Lord and hear the angels sing.

A resident of Hamilton Arms for 15 years, she was born in Johnstown, PA, attended Wood Dale School for the Handicapped, and worked at VisionCorps. Betty Lou was Catholic and greatly appreciated the pastoral care provided by St. Joseph and Sacred Heart Churches and the Hamilton Arms chaplain.

Despite being born blind, she delighted in being independent. Some of her favorite pastimes were reading audiobooks and collecting stuffed animals and key chains. Betty Lou loved to play games especially Yahtzee, Uno and bingo, and won most of the time. She enjoyed creating and learning crafts and sharing her projects with friends. She liked to sing, especially the old-time hymns. Every year she looked forward to attending the Lions Club Christmas party and summer picnic.

She was kind, thoughtful and loved giving gifts. Betty Lou will be missed by dear friends: Andrew, Anne, Dot, Jamie, Jim, Marie, Mary Jean and Nancy. Thank you to the Hamilton Arms staff for their many years of compassionate care.
