

Bhadrika Sharma

March 19, 2019

Mrs. Bhadrika Sharma, daughter of the late Tanka Raj Pant and late Indira Basnyat Pant, was born January 5, 1941 in Kathmandu, Nepal. She graduated with a Bachelor of Arts from Tribhuvan University in Kathmandu and then completed the radiologic technologist program at UCLA in 1963. She was married to Kumud Raj Sharma in 1969 and their first son Manish was born in Bristol, England. They moved to Eugene, Oregon in 1972 where their second son Satish was born. In 1974, the family moved to Toronto, Canada, and Mrs. Sharma worked at St. Joseph's Hospital for nearly 30 years in the radiology department where she had many close friends and colleagues.

The Sharmas were active in the North American Nepalese community and helped many young families from Nepal get acclimated to a new life in a vastly different culture. After retirement, the Sharmas split their time between Canada and the US, spending most of it with family in Lancaster, PA. Mrs. Sharma was a traveler as well as a passionate supporter of Nepalese organizations promoting literacy in women and educational facilities for children. She was very creative and artistic enjoying arts and crafts such as watercolors, knitting and sewing. She also was a wonderful cook who will be remembered by many for hosting large gatherings, both in Toronto and Lancaster, making traditional Nepalese dishes for dozens of people right up to her final year of life.

Her memory will forever be cherished in the hearts of her husband Dr. Kumud Sharma, her sons Dr. Manish Lamichane and Mr. Satish Sharma, their wives Dr. Sara Horan Lamichane and Mrs. Audra Dineen Sharma, and her beloved grandchildren Juliet, Maya and Pierce. She has many relatives and friends worldwide who will remember her fondly and miss her dearly.

In lieu of anything else, Bhadrika Sharma would have loved a donation to Child Haven International, an organization near and dear to her heart assisting women and children in developing countries, who are in need of food, education, health care, shelter and clothing, emotional and moral support. <https://www.childhaven.ca/donate.html>

“ I had the pleasure and privilege of working with Rika for many many years at St. Joe’s. She was smart, kind and always curious. A life long learner, she inspired many of us. And she liked a good laugh. She will be missed and never forgotten. Love, Maggie Lang

Rika was a wonderful co- worker for over 30 yrs @ Sjhc Toronto Ont Canada. Her hands & mind were rarely still especially with her patient care in doing mammography. She had a competitive spirit & infectious zest for life & adventure plus authentic kindness. Her passing leaves a hole in the world that will be hard to fill. Much sympathy to Kumud & family. Rika now shares the reward that we all aspire.

“ *Manish,
These past days I have been remembering all of our childhood memories. We exasperated our mothers with our antics...grasshoppers eating the plants they had so lovingly cared for, riding our bikes into the evening past our curfew.. Through it all I always saw your mother as if she were my own. Kind, loving and full of patience. Always willing to whip up a meal when we were hungry from our adventures. I remember when we all had chickenpox at the same time! Five of us with two mothers loving and caring for us. So many happy memories! Bhadrika Aunty will always be in my heart. Dani and I are sending all of you love and hugs during this difficult time.*

“ *Manny and Sara, we are so sad to hear of your mother's passing. She was a wonderful woman. I always enjoyed listening to her stories about her remarkable life - I was always behind schedule after my visits with her, but I didn't mind one bit! Our thoughts are with you.*
