“ Blair was a cousin and childhood friend. Our time on Susquehanna (us) and Rockland (him) was well spent as kids, in those days you could play outside and wander from street to street before the light posts went on outside. Blair was a gentle soul even into adulthood and he will be truly missed and never forgotten. Love cousin’s Monique and Nick Boots

“ I had the honor and pleasure of doing Blair’s very first out patient treatment at King Street. We developed an instant friendship that continued long after I left, with not just me but my family as well. My heart is crushed to have lost such a beautiful and kind soul. As a private joke between us, I say “adios mi amigo, vaya con dios”. Rest easy buddy.

“ I don't even know where to begin except to say Blair will be deeply missed here at Davita. It has been nothing but a pleasure knowing him through out the years. He could light up the room with laughter and keep it going his whole time here. Our deepest condolences to Taylor, Logan, Austin and family. Heaven will be filled with laughter.
