“ On your way, Bon. Literally a life time of memories. When we made a cake and managed to mess the entire kitchen? Whew, your Mom was mad at us. The boys we watched, the trips to the bungalow, MomMom and PopPop. I even moved next door to you. You were a true friend. You are finally at peace. Sending my prayers to you to speed your journey.

“ I am sorry for your loss. Bonnie was in the nursing home at Lancashire with my mother. They became best of friends. Bonnie would check in on my mother everyday until she passed in Aug. My mom loved her. My sister and I where planning on visiting Bonnie once the covid restrictions where lifted. She was a good person with a big heart and lots of fun to sit and talk to. May God give you peace, know she is in the arms of Jesus.

*Yes. When My mother passed we gave Bonnie all of our mothers clothing, perfume and other items needed for personal care along with the TV. The TV was property of the nursing home. We placed it in Bonnie's room so she had a larger one to watch.*
