“ I was so sorry to hear of Bonnie's passing. We were good childhood friends. I moved to Florida many years ago and did see her when she came down with her sister. I will always cherish my memories of Bonnie and her family. May she rest in peace.

“ Take time everyday to appreciate your loved ones and don't let another moment go by without somehow letting them know how much they are truly loved and appreciated. Bonnie was a wonderful, loving, caring and forgiving mother who, no matter what, always held all of her family close to her heart. She understood that nothing was more important than family and friends. I love you Bon and miss you deeply.

“ Prayers are with you as a family. I worked with Bonnie over 30 years ago at Brereton Manor Retirement Home. She was such a joy to work with and made the nite shift go more quickly. May you feel the Peace of Jesus thru the days and weeks ahead. - Naomi Brenneman
