“ Dear Moyer family,

I will always remember Mrs. Moyer as a kind and generous person. Even though I was just another kid in the neighborhood, she always provided McDonald's milkshakes, popsicles, Christmas pizzas and all the Coca-Cola I could drink - as well as a welcoming home where her children's friends could gather. When I broke my arm while roller skating in the neighborhood, Mrs. Moyer made a splint out of a magazine and a shoelace ... and even put on my cast, because she worked at the orthopedist's office! She was always there to drive me to school when it was really cold outside, compliment me on a new (sometimes bad!) haircut and give me a hug when I needed one. Even when I was a rebellious teenager, she never stopped believing that I was a good kid. It was truly a privilege to know her.

*Yours,

“ Dear family and friends of Brenda,
Brenda's kindness, wit, and compassion for others will long be remembered. Brenda was a good friend at McCaskey and we very much enjoyed performing in the school plays. Brenda brought much joy to many as the delightful "Mrs. Paddy." Brenda always had kind words to share at our McCaskey reunions and we very much enjoyed following each other's lives.

We shared the Lutheran faith tradition, which was always a bond.

God's peace,

John
