“ Like many I suppose, I met Bud, Susie and their great friend Doris on a bleacher in a gym. I was instantly taken by their dedication to Township, wrestling, the kids themselves and their delightful, yet wicked humor. I spent many more days and nights with them on many more bleachers. Bud was so generous of spirit, fully dedicated to supporting the kids in so many ways. Just the other day, he and Susie dropped by to bring programs Bud had saved so my son could begin to study up on the competition for next year. Jose did just that. Beyond the kids, I can't imagine anyone filling the role Bud did in bringing us all together as a team of parents. I asked him at one point why he was such an avid supporter, and he said, "I really love it when I see the kids out and about, and they know me as Bud, not Mr. Roderick." You've done well in life Bud. You have touched so many of us. We will indeed miss you! With all our love to Susie and the family. - Shannon and Jose

“ Bud had one of the kindest hearts, and was always so supportive and great to talk to. I always was so surprised by the all the people he knew and the stories he could tell. When he was in better health, he would often stop by at wrestling practices and hang out and talk. It was a pleasure to know him the past 8 years for me. When you are friendly and kind, you sure get to know a lot of people and Bud was known by many. He could be seen faithfully attending wrestling matches, and many other MT sports, for many many years. It will definitely be sad not to see him around at matches next year, but I will choose to remember him sitting there smiling on the bottom row of the bleacher with his wife Susie.

I have found memories of Bud from my days as a youngster at the beach house. A wonderful man that touched my life at an early age. He was always the first one up and a wonderful breakfast every morning. As a father of four I always remember how good he made me feel and I am always the first one up fixing breakfast for everyone over the decades due to his example. I think of him often although we met only a few times in my adult life. God called him to his side and I am sure he smiling on all of us for the rest of our lives. May he rest in peace. Our deepest sympathies from the Lugo family.
