“ Cam was a brother to me, we was inseparable! Every single day we was together, either working on our motorcycles, cars or just riding and hanging out. I miss those days. You were the realest person i knew, you would help anyone with anything. Its not fair that god took you away from us, it wasn't your time. I will always remember you and the stuff we did. I know i was the one that got you into BMW's Lol after you seen mine, then you went and bought 2, we was suppose to work on them together, well brother rest easy, and i will see you on the other side! I love you brother!!!
