“ *My father was a dad every kid would love to have. He was the parent you went to when you wanted the answer to your question to be "yes" lol. He worked hard all of his life so that his family could have everything they needed and most of what they wanted. He never complained, he loved his job as a florist and was one of the best. He had the BEST sense of humor and loved to play practical jokes on people. I will miss his quick smile and hearty laugh. Rest in peace daddy, till I see you again , Kim*
