“ I have so many special memories with you girl! I was honored to be your friend. As any females we'd argue and then call each other the next day like nothing. From cooking and singing to going to get our sons out of trouble somehow we always did it together. Damn this hurts but the memories are so bitter sweet. Fly high babygirl, your my guardian angel now. You will be so missed..... thank you for being YOU, Carmen. I love you.....
